PROFESSIONAL CURRICULUM

Experience

Certified Accountant, Business Consultant and Auditor

Studio Cossu e Associati | September 2013 – Present

Brescia, Italy

I mainly deal with special transactions, company evaluations, the drawing up of business plans, budgets, financial and strategic plans and management control, supporting the entrepreneur and the corporate management in the implementation of businesses, executive and financial strategies.

I also provide support in the drawing up of contracts, organisational models and procedures that allow the efficient and dynamic regulation of assets with special attention to risk management, company transfer to the new generations, the administration and management of corporations, groups, businesses, assets and relations among multinationals.

Member of the commission for budget analysis, company evaluations and business financing of the Register of Certified Public Accountants in Brescia
